Construction Site QHSE Safety Notice Boards

Set the 'right standards' for safety with our construction site safety information boards

Product Code: M-58021-A

- » Large notice board incorporating the Health & Safety Law Poster, safety information & acrylic document holders to display key information relating to site policies
- » Measures 1800mm x 1000mm, but is supplied hinged so folds in half for easy transportation and storage
- » Also includes 'Emergency Resuscitation from Electrical Shock' Poster
- » Manufactured from tough and durable 6mm Rigid Correx Plastic
- » Finished with a dry wipe laminate to enable you to update information from site to site
- » Ensure all employees and visitors are fully aware of site rules and procedures
- » If some of the document headings aren't quite right for you, or you want to amend some of the content, then drop us an email or give us a call on 0800 043 0161 and we'll be able to help
- » Simply check-out online and email your logo through to sales@safetybuyer.com
